SOCAL CON
INFORMATION SECURITY CONFERENCE
SAN DIEGO

OUR MISSION:

"SECURITY THROUGH EDUCATION AND PRACTICE"

The mission of Queen City Con (QCC) is to bring an event to the Ohio Valley that will be inclusive of all in the infosec community to provide valuable breakout sessions that combine both presentations and hands on learning to help develop the professional, various villages to provide additional exercises and activities for professionals outside of breakout sessions, and a newly thought of career village that will work with attendees on advice, resume help, mock interviews, and various other topics. All of this is formulated to help address multiple learning styles and other accommodations for everyone to have a good time while learning infosec topics and networking with one another to bolster the community.
